## Smart Spend

Smart Spend is allocated when you reach certain spend amounts (see table on the next page for a full breakdown). However, if you spend on multiple accounts your spend will be consolidated and your spend will be allocated to highest active qualifying account

Smart Spend totals are cumulative i.e., If you are on Reward level 5, you will get eB3 000 (R300) when you spend R15 000 within the month.

The higher your Smart Spend, the higher your reward. You can earn a maximum of eB30 000 (R3 000) within a month when you spend R75 000 or more. If you spend at our rewards partners (such as Shoprite Checkers, Clicks and Engen), you will earn eBucks from our rewards partners as well as eBucks for Smart Spend.

If you spend over R75 000 on your Virtual Card linked to your FNB Private Wealth Fusion or Credit Card account within a month, we will continue to reward you at a rate of 0,5% on this additional Virtual Card spend, when at least 80% of your spend is on your Virtual Card. This additional Smart Spend earn will be paid out with your normal monthly eBucks allocation in the following month. eBucks awarded for Smart Spend will be allocated weekly into your eBucks account.

Only international spend using your Global Card will count towards your Smart Spend. All International in-store spend using your FNB Fusion Card, Credit Card, Debit Card, Virtual Card or FNB Pay will not count towards your Smart Spend.

Track your Smart Spend to see how much eBucks you've earned during the month by following these steps: FNB App > eBucks > Earn > Smart Spend

### Annual discount savings

Annual discount savings (September 2023 to August 2024)

Available discount is R20 000 per main member

Discounts can be used across eBucks Travel (flights and car hire), QuickBus and eBucks Shop

Each main member receives their own annual discount savings based on the highest qualifying FNB product held. The annual discounts savings can be spent across eBucks Travel (flights and car hire), QuickBus and eBucks Shop if bookings are made via the FNB App or eBucks Travel Online. Children within the family profile do not receive their own discount and will automatically use either parent's discount based on who makes the booking.
