## A rewarding month in the life of an FNB Aspire client

Thuli is an FNB Aspire client who makes the most of her money by using her bank account for everyday essentials.

### LET'S SEE HOW

Each month, she buys her groceries with **Pick n Pay asap!** using her Aspire Virtual Card, spending **R3 000** to stock up on everything her family needs. She earns a total of **R300 in eBucks** (R150 from Pick n Pay and another R150 from Pick n Pay asap! spend).

When the seasons change or the kids need new school uniforms, she visits **Pick n Pay Clothing**. There, her **R1 000** spend can earn her **R50 back in eBucks** giving her even more value on the essentials she already needs.

Twice a year, Thuli enjoys complimentary **SLOW Lounge access** to the value of **R330** per entry when travelling locally and **R550** per entry when travelling internationally, unlocked when she uses her FNB Aspire Fusion or Credit card to book her flights with eBucks Travel.

She also books her long-distance bus trips with **Intercape**, where she can earn **R150 back in eBucks** per month. And when filling up with fuel, she earns **R1.20\* per litre in eBucks** on her monthly fill-ups because her car is financed by WesBank and insured with FNB, amounting to as much as **R150 back in eBucks**.

She tops up her toiletries and medication at **Clicks**, picking up essentials like toothpaste, shampoo, body wash, and deodorant, along with a few household basics like cleaning sprays, laundry detergent, and hand soap.

She can earn **R50 back in eBucks** on a spend of **R1 000** or more.

Even her entertainment adds up. By linking her Aspire virtual card to her streaming and subscriptions to **Netflix and Spotify**, she earns **R20 in eBucks** for each one every month.

Because her partner also holds an FNB Aspire card and is linked to her family profile it's a simple way to get rewarded for the things she already enjoys.

For Thuli, it's not about spending more, it's about spending wisely. With FNB Aspire, her everyday choices turn into real value, giving her more to enjoy throughout the year.

\* Up to R0.60/litre back when you pay for your monthly Engen fuel with your FNB Fusion Aspire Card, FNB Aspire Credit Card, FNB Aspire Debit Card, FNB Prime Life Debit Card, FNB Prime Life Credit Card and/or your Virtual Card; up to R0.30/litre back when you load your car on nav»Car (under 'My Garage'); and you have an active vehicle finance agreement with WesBank or Toyota Financial Services; up to R0.30/litre back when you have an FNB Short Term Car Insurance policy with paid up premiums. The amount of eBucks you can earn at Engen in one month is capped at R150 (eB1 500).
