# 1. Qualifying for travel rewards

To earn eBucks Travel rewards, a business requires an active qualifying FNB current account and must be registered for eBucks.

Your **travel rewards** are based on the **highest FNB Business current account type** that you hold.

For example: if you hold an **FNB Platinum Business Current Account**

and an **FNB Enterprise Business Credit Card**

your reward level and eBucks Travel discount will be based on the **FNB Platinum Business Current Account** reward level as this is the higher qualifying product.
