1. Your travel benefits are based on the highest FNB transactional account you hold

For example: If you have an **FNB Easy Bundle Cheque account**

as well as an **FNB Aspire Credit card**

the travel benefits you received will be based on your **FNB Aspire account.**

This means that you'll get **R100 off per one-way domestic flight and R100 off per one-way bus ticket.**

2. Your Annual Discount Savings is the total rand value of eBucks Travel savings you're allocated a year

This Annual Discount Savings amount is determined by the highest FNB transactional account you hold, and is allocated to you at the time of your July eBucks pay outs each year.

Annual Discount Savings can be used for the following

FNB Easy Bundle clients can use their Annual Discount Savings on **bus tickets**

FNB Aspire clients can use their Annual Discount Savings on **bus tickets and selected domestic flights**

Here's an example of how this works

| FNB account | Annual Discount Savings per account holder, per year | Remaining Annual Discount Savings after the flight booking | Remaining Annual Discount Savings after the bus ticket booking |
|-----------------|--|--|--|
| FNB Easy Bundle | R500 | Account does not qualify for flight discounts | $R500 - R50 = \mathbf{R450}$ |
| FNB Aspire | R1 000 | $R1000 - R100 = \mathbf{R900}$ | $R900 - R100 = \mathbf{R800}$ |

*Discounts exclude taxes and surcharges. Terms, conditions and earn rules apply. Certain benefits are dependent on your account. This is not meant to be a comprehensive guide to the eBucks Rewards Programme earn rules. Please visit eBucks.com and fnb.co.za for the complete rules.

3. Family members of clients with an FNB Aspire account can travel at a discount as well if you have an Annual Discount Savings balance available.

Children between the ages of 2 and 24 years old **qualify for the same travel discount** as the main member of an Aspire account **(i.e. R100 off per one-way flight and R100 off per one way bus ticket)** if they have an active FNB Youth account and are linked to that member's family profile on the FNB App.

Impact on Annual Discount Savings

The **child's discount will not be deducted** from your Annual Discount Savings balance unless they're traveling without you.

If the child is traveling without you, their discount will come off your available Annual Discount Savings.

Your spouses' discount will come off their own Annual Discount Savings balance.

NEW

If your spouse or partner is linked to your FNB family profile and has the same current account** as you, **they also qualify for R100 off** when you book flights for them on your family profile.

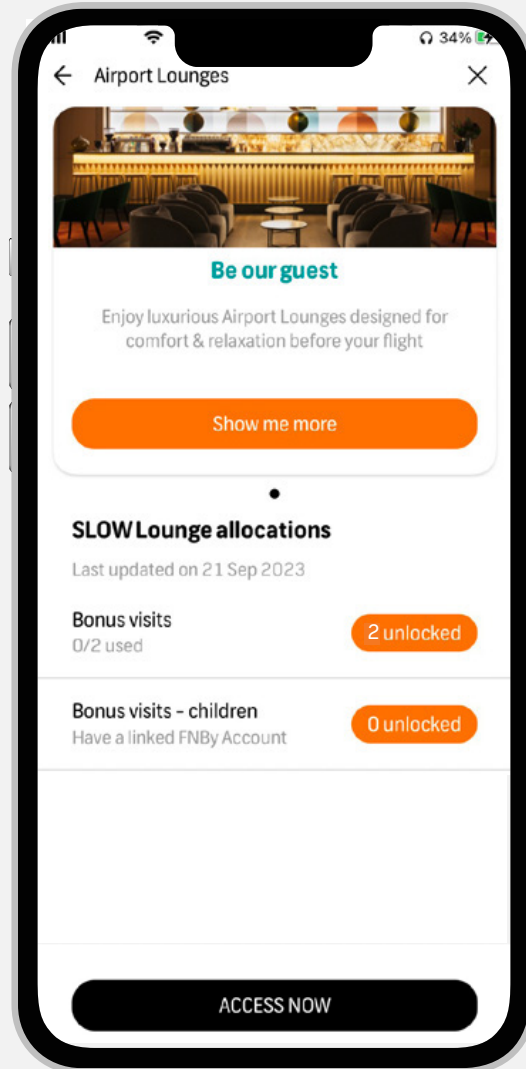

FNB Easy Bundle account holder discounts only apply to the main FNB Easy Bundle account holder.

*Discounts exclude taxes and surcharges. **Current accounts are either an FNB Cheque, Fusion or Islamic account on the same product (i.e. Easy or Aspire). Terms, conditions and earn rules apply. Certain benefits are dependent on your account. This is not meant to be a comprehensive guide to the eBucks Rewards Programme earn rules.
